CLERK US DIST.  
WD WIS.

1. I am a Detective with the City of Madison Police Department (MPD). I have been a sworn law enforcement officer since May of 2005 and have been a Detective with MPD since January, 2011. I am currently assigned to the Special Victim's Unit (SVU). I have investigated numerous serious crimes, including sexual assaults, and have participated in physical surveillance, debriefing of sources, and executing search and arrest warrants.

2. The information contained in this affidavit is based primarily on information I learned during the course of my investigation into alleged criminal behavior of the defendant, Jeremy D. Schenck. Jeremy Schenck is a transgender male who identifies as female who has utilized the first names "Paige" and "Emily." I have also reviewed reports about the incident prepared by other law enforcement officers with the City of Madison Police Department and Williston Police Department, Williston, North Dakota. As the reports were prepared by other law enforcement officers during the course of their official duties, I believe them to be reliable.

3. On January 17, 2019, I spoke with CD,<sup>1</sup> the former live-in partner of the defendant, Jeremy Schenck. CD told your affiant that she had received an email on

January 16, 2019, from an on-line acquaintance, KS, that KS had received nude images of two minor relatives of Schenck, from Schenck via an electronic messaging mobile app. KS resides in Williston, North Dakota.

4. On January 23, 2019, Williston, North Dakota Police Detective Alexius Enget interviewed KS who admitted to Det. Enget that she received images of the nude vagina of Jeremy Schenck's minor relatives. KS told Det. Enget that Jeremy Schenck sent the nude images via the chat feature on Snapchat, and that Schenck resides in Wisconsin.

5. On February 20, 2019, a search warrant was executed at Schenck's residence at 3164 Muir Field Rd., Apt. 306, Madison, Wisconsin. During the search of said residence, several electronic items were collected, including but not limited to an Apple iPhone 8 and Seagate 1TB computer hard drive. Department of Criminal Investigations (DCI) Digital Forensic Examiner Kimberly Bizub assisted with a forensic preview and later, a full forensic digital examination of the electronics seized during the search warrant. During the preview and full forensic examination of the above-referenced electronics, four images were found that meet the Wisconsin statutory definition of child pornography.

6. DCI Digital Forensic Examiner Bizub provided me with a DVD copy of the forensic examination results which included a chat history between the defendant, Jeremy Schenck and KS. The chat history is from KIK Messenger, a free instant messaging mobile app. The chat history includes the account user name for KS and account user name "emilyharper03" for Jeremy Schenck. The chat history was located

during the forensic examination of Schenck's Apple iPhone 8 Plus.

7. The Extraction Report/Chat History provided by DCI Digital Forensic Examiner Bizub includes the date and time of each message that was sent and/or received, along with any attachments (i.e. Images) to the message(s).
